 - 5.3.1. the front one metre of the bow;
 - 5.3.2. the bottom 10% of the mainsail;
 - 5.3.3. the front 50cm of the boom nearest to the mast.

6. Schedule:

Day 1– Race Training – the coaching team, formed of the Class Association coaches, will be focused on training the sailors on many aspects of racing, from understanding skills that can include:

- Checking and rigging our boats correctly
- The Course – Start Line, Windward Mark, Wing Marks, Leeward Marks, Gates, Finish Line
- Understanding some of the key rules and how and when to take a penalty
- Starts – flags, countdown to start, finding the right end of the line, finding & owning your space
- The windward leg
- Mark rounding – the windward mark
- The run and the reach
- Preparing and timing a gybe
- Mark rounding – the wing mark
- Mark rounding – the leeward mark
- Crossing the finish line – what to expect

There is plenty for the sailors to take on board in the first day and we are sure they won't recall all of it, as we well know, practise makes perfect and time on the water and participating is the best way to improve. So, Day-2 moves on to Coached Racing.

Day 2– Coached Racing - As the Coached Racing isn't something that is generally permitted with the Racing Rules of Sailing (RRS), the Coached Racing part will not operate under the guises of a proper racing event, but our aim is to get our sailors operating as close as possible with its boundaries, respecting the rules and taking appropriate penalties where appropriate, which could ultimately end in disqualification, if they don't follow the guidance of our coaches – after all, they are there to teach our sailors how to race correctly, not to control discipline.

- Racing will be setup as if a proper event on a separate area to the main racing
- The coaches will encourage and help sailors around the courses:-
 - Course A will be for Sprint Racing, to ensure the sailors get as many starts as possible, which will enhance their starting ability – we may decide to split them into two groups for starts for this part of the racing, to reduce numbers on the start line.

- Course B will become a full triangular course with slightly longer race time and the full group on the start line at the same time, if there is a wide spread of abilities, it may be that two Windward Marks are placed, where the more experienced sailors head to the outer mark and the less experienced to the inner mark, to facilitate a closeness at the finish.
- The aim is to get in as many races as possible. The sailors will be given finishes, and encouraged, in true Tera style, to thank the Race Officer when they cross the finish line.
- All regatta fleet sailors will be winners – the RS Tera Regatta Fleet is all about participation and developing our sailors to a stage where they feel comfortable moving forward to our main fleet racing at future events. There may be some Spot prizes, where our coaching team feel that a particular sailor has done something special to stand out to ensure that this is acknowledged.

7. What we expect our sailors to have:

- An RS Tera in good condition, with either a Sport or Minisail (this should be dependent on size of sailor and wind conditions).
- A windex or burgee – if they can't easily tell where the wind is coming from or shifting to, then they are missing out on some of the basics
- A race timer watch, that is easy to use
- Be suitably dressed for going on the water.

Boat should meet requirements as set out in main NOR

8. Clothing and Equipment:

- 8.1. RRS 40.1 will apply.
- 8.2. All sailors must wear a whistle attached to their buoyancy aids
- 8.3. All boats shall carry a painter of 6mm floating line at least 8 m in length (measured from the fitment point) permanently attached to the standard fitment position in front of the mast
- 8.4. Rear handles on the transom handles should have the plastic loops fitted as supplied by RS

9. Venue:

- 9.1. The venue is Chew Valley Lake Sailing Club, Walley Court Road, Bristol BS40 8XN and the sailing area is Chew Valley Lake.

10. Data Protection:

- 10.1. The personal information you provide to the organizing authority will be used to facilitate your participation in the event. If you have agreed to be bound by the Racing Rules of Sailing and the other rules that govern the event (the rules), the legal basis for processing that personal information is contract. If you are not bound by the rules, the legal basis for processing that personal information is legitimate interest. Your personal information will be stored and used in accordance with the organizing authority's privacy policy. When required by the rules, personal information may be shared with the RYA, your national authority and/or World Sailing. The results of the event and the outcome of any hearing or appeal may be published.
- 10.2. In participating in the RS Tera Inland Championship - Chew Valley 2026 any competitor automatically grants to the Organising Authority, the National and International Class Associations permission to make, use and show, from time to time, any motion pictures and live, taped or film television and other reproductions of him/her during the period of the event without compensation, in perpetuity.

11. Risk Statement:

Rule 3 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;

- They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- Their boat is in good order, equipped to sail in the event and they are fit to participate;
- The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;

- The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.
- All competitors should obey the instructions of the Event Safety officer (and/or team).

12. Insurance:

12.1. Each participating boat shall be insured with valid third-party liability insurance with a minimum cover of £3,000,000 per incident or the equivalent.
