SPRINT RACE DAY INSTRUCTIONS

The Race Committee intends to run Sprint Racing on Friday, 29th May. This document gives you the information that you need to take part, and there will also be a sailors' briefing at 09.30 in the Main Hall. This document may change some Sailing Instructions, which will apply for the Sprint Races only.

The first race of the day will be no earlier than 11.00 for the RS Tera Pro fleet and 11.06 for the RS Tera Sport fleet. Boats will start using the same class flag and starting procedure. The orange starting line flag will be displayed with one sound at least two minutes before the warning signal. This changes SI 5.3.

The Start and Finish marks, and Marks 1 and 2 are the same as in the event SIs. The course to be sailed is provided at the end of this document and uses Mark 3, which shall be an orange dumpy buoy. This changes SI 7.1 and 8.

The Target Time for a race will be 20 minutes, and the Finishing Window will be 5 minutes. This changes SI 13.1.

There is not a fixed number of races scheduled. The intention is that there will be no more than 6 races. If at any point the Race Committee chooses to revert to standard courses (signalled as courses O or I from the committee boat), the changes to the SIs in this document will not apply.
